A Message from the Board

June 26, 2020

Confirmed Covid-19 Case in Summerpalce

We have just been notified that a resident who has been very ill for the past several days received confirmation that they have, in fact, tested positive for Covid-19. Multnomah County Health Department was notified and they have instructed the resident they should remain quarantined at home.

The resident was asked if they have visited the clubhouse recently and they confirmed that they have not been to the clubhouse, including the library, for several months.

We appreciate the resident notifying us of their situation so that we can advise the community as we have committed to do for all such notifications.

This highlights how important it is to practice social distancing and to avoid gatherings whenever possible as you just never know when you might come into contact with someone who has the virus without knowing it until it is too late.

We would like again to stress the Board's recommendation not to come into the clubhouse and risk potential exposure.

Given these circumstances, it is the Board's view that it would be unwise to hold in person Planning or HOA meetings at this time and will continue to hold virtual meetings of the Board until further notice. We highly recommend that committees consider doing the same.

Thank you.
