A Message from the Board

Notification of Possible COVID-19 Case at Expressions at Summerplace, the memory care unit of Assisted Living at Summerplace

The Board of Directors has just been notified by a reliable source of a possible confirmed case of COVID-19 at Expressions at Summerplace, which is the memory care unit of Assisted Living at Summerplace. It is unknown at this point whether the confirmed case involves a resident or employee of Expressions at Summerplace.

All Summerplace residents are advised to refrain from personal contact with anyone at Assisted Living at Summerplace (residents or employees) until we are able to confirm with their management the veracity of this report. This virus, as we know, is highly contagious and particularly virulent; COVID-19 presents a significant health risk to the age demographic of our Summerplace residents.

Once management of Assisted Living at Summerplace is able to confirm the accuracy of this information a follow-up email will be sent immediately to our residents. Hopefully we'll have that confirmation by tomorrow, June 19, 2020 or Monday, June 22, 2020 at the latest. In the meantime, please do not attempt to visit this facility for any reason.

Stay Home, Stay Safe.
